UC DAVIS
COLLEGE OF ENGINEERING

Commencement Student Speaker

The College of Engineering invites eligible graduating seniors to apply for the student speaker at the Spring 2017 Commencement Ceremony.

Who Can Apply: Any senior participating in the Spring 2017 Commencement ceremony <u>and</u> will complete all degree requirements no later than the end of Summer 2017. You must be in good academic standing.

Guidelines: The speech should express appreciation and make a connection to faculty, family, friends, and others who have supported the efforts of the graduating students during their education here. It should take advantage of the excitement of the moment and convey a sense of accomplishment for all involved.

Application & Selection Procedure

1. Prepare a draft of your speech. Please include a title. Total speech length should not exceed 5 minutes. Your draft doesn't need to be perfect, however it should sufficiently convey the tone and content of your speech.

2. Submit your draft. Include a cover sheet with your name, speech title, and ID#. Submit via email to amwakefield@ucdavis.edu by noon (12:00PM) on Friday, April 7, 2017.

3. The selection committee will review applications and invite top applicants for an audition. Finalists will be contacted to schedule an audition time.

If you have any questions, please contact the Undergraduate Office.
