ABET accreditation is critical to maintaining the reputation of your engineering degree. We hope that after graduation you will participate in occasional surveys for subsequent ABET reviews. We ask that you respond to requests that may be sent in the future. Your feedback will help us identify areas of change in our programs. The best way for us to stay in touch is through email (no spam, we promise).

Eligibility for extension of your Student Health Insurance Plan (SHIP) coverage after graduation may be possible. Refer here for details: [shcs.ucdavis.edu/insurance/departing-students](http://shcs.ucdavis.edu/insurance/departing-students).
